### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Collins on February 23, 2004.

The application has been amended as follows:

Claim 12, line 6, the phrase -- wherein said bead lies in one plane perpendicular to said skirt -- has been inserted after the word "bead".

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: the method of making a dispenser package for a fluent product comprising: a detent on a base wall of said closure for releasably locking said closure to said container, wherein said detent means comprises a second opening in a top wall angularly spaced from a first opening & a lug on a base wall angularly spaced from said opening an opening in said closure for registry with said second opening in said top wall when said opening in said closure registers with at least one opening in said top wall; in combination with the other limitations of the claims, has not been disclosed in the prior art. In regards to claim 12, the "dispensing opening" is interpreted to be separate from
